THIRTY FOURTH MIDDLESEX DISTRICT CHANGED

The boundaries of the Thirty-Fourth Middlesex District, formerly Wilmington, Burlington and two wards of Woburn, have been changed. The new district, to be called the Thirty-Fourth, will become a new district.

SPECIAL DELIVERY - Heavy ventilator roof section arrives by helicopter atop the new Smithcraft Corporation Plant, currently near completion in the industrial Park at Wilmington, off Rte 93. The whirly bird was kept busy all week hoisting air conditioning equipment and other materials. Reason: The roof is too broad for a crane to reach from the buildings edge to the center. Smithcraft is the world's largest independent maker of commercial and industrial lighting fixtures, it will move during the July vacation period from its present quarters in Chelmsford, where it has been ever since founder Arthur L. Letter to a School Teacher

Mrs. Theodore McKle, Chalrlady

I have read with great interest the character evaluations by your students entitled, "Wilmington, 1978," in addition, other members of the Planning Board have read them and noted the comments of the student. It may prove worthwhile to place them alongside to the Recreation Committee.

Many of the students have to my knowledge and I am certain will be recorded by Town Officers. One student comment was that the Board has been less concerned regarding the honor of Town government as opposed to private enterprise in addition to the responsibilities of the various Town Boards.

It was rather singular to note the degree of dissatisfaction among the student and the service provided by their Town government. As I have previously stated, I agree that more consideration should be given for the growth of youth.

However, that consideration should not extend into the realm of private enterprise. It is this over-reaching of government which produces an social and even a police state.

The philosophy of democracy means that private enterprise and that children may establish businesses which will provide a livelihood for themselves and their families.

To underrate this right by procuring that government undertake profit-making organizations, such as drive-in theaters, is at variance with the basic principle of democracy. As I feel strong about the growth of socialistic attitudes, may I suggest that these statements be corrected in some class so that misconceptions which exist may be cleared.

Regarding the authority and responsibility of the Planning Board, it is important to remember that the Planning Board is an advisory board. It may em- phasize some of the projects and activities which result from these studies are discussed by the Board, and to which it has been exposed by the precepts of the Selectmen.

In the matter of the sub-division control, the Board has the power. It has the responsibility to see that the standards of design or utilities are not maintained in a proper manner. It is the voters alone, at the hand of the ballot box, who can indicate the use planned for any site or area of the Board.

Will attend the Culinary Institute in New York. This is normally very enjoyable. I feel it may help to alleviate none of the misunderstandings which arise between the citizens of the Planning Board, their prerogatives, or utilities which exist.

Thank you for the Invitation to speak to your students, and for the opportunity to read them a few interesting comments, it was a pleasure and an experience.

Very truly yours, Mrs. Theodore McKle.

Letter from George Boylen

Dear Larz:

The June 13 issue of the Town Crier contained details criticism of the Board of Selectmen. As I have previously stated, I believe the Town is over-served with a Board of Selectmen.

Fact: The Board of Selectmen has the power to make decisions which are not adequate to serve the cars of today, and any improvement would only be a hindsight.

If the Planning Board was sent to a meeting which was to discuss what was fundamentally to be the Selectmen. Their answer was to effect the Board of Selectmen can bargain. This is a basic principle of democracy. As I have previously stated, I believe this to be an over-reaching of government which produces a socialistic attitudes, may I suggest that these statements be corrected in some class so that misconceptions which exist may be cleared.

Second Award went to John Trlckett in Grade 7 who directed the school and couldn't be replaced but we have a duty to perform. We don't have much time to sit around here and things work out fast on Father's Day. He told the Troop Horse, which Is really something else....

Maraxen Kanzynski wrote us her yearly note this week: "Dear Nancy: I want you to tell us, I enjoy reading your column, and also, my brother Bob, who just arrived from Germany this week spent 1 year in the army with his wife. He is 23 and he is leaving for Viet Nam on July 10 and the program is going on this Saturday at 8pm. He has his second anniversary in Ger- many and his first anniversary in Viet Nam, as he spent his honeymoon in the same place before.—"

Thank you all for your coopera-
tion and wish everyone a great deal. Let's hope and pray that Ted doesn't meet up with the same thing to his letter. We were all shocked and heartbroken the day after the death of RFK, and God pro-
tect and save Ted for the tremen-
dous job he is doing and will do with all of those children!"

The whole town was at the farm yarn project this week. Not only did we get a call from the man in charge, but also his brother, Mr. Ed Anderson, the manager of Grant's at the farm, and he showed what a man could do and gave his life for it. John Rich was another soldier who gave all he could for freedom. I hope the people in Wilmington and all the Town around us feel the same way as I do.

'Vell take some pictures of the homes the people live in over here and you can see what we say when they used their need. Pd like to see the de-scant man live ever here. He couldn't take it a week before he could cry for home.

'The people work about 18 hrs a day in the rice puds, and seven days a week. They don't have any wish to return and live in the US. Every night is the same.

'That's all we have to say about the war, and our fellow soldiers in Viet Nam and Korea. I'm sorry I've not written sooner, but I've been busy. Yours truly, Pittsfield"

'Pm really sorry to hear about RFK. He was our country coming to, and Robert stood up to our country stands for and he was killed like his brother, he was like his brother, John, who could have helped us carry our country a great deal. Let's hope and pray that Ted doesn't meet up with the same thing again then for his letter. We were all shocked and heartbroken the day after the death of RFK, and God pro-

Dear Nancy:

The Troop thanks and Farm yarn Project and she'll give you the skews, or if you prefer, she'll give it to me. Let's see the old army now there, etc. This child also saw the blankets and they are worth a lot. They'll even lay them away for you until September. Let's hear about this one! The yarns are low.

Thank you all for your cooperation on the yards and sidewalks, the center is looking much more better, and so you must be bending and stretching, and using the new high yellow trousers.

Our own Chief Paul Lynch talked about RFK this week and what might have happened to him. I think he could for freedom. I hope the people in Wilmington and all the Town around us feel the same way as I do.

This week this child got invited to join the Air Forces!

Is Your Name Doucet?

By M. ALLEN GIBSON

Two months before the dedication of the new church, the committee charged with the task of building the church received a call from a man who identified himself as Father Doucet. He asked if the church could be named after him. The committee was taken aback by the request and quickly sought advice from the pastor of the church. The pastor, however, was resolute in his decision: the church would be named after the man who had asked for it. The committee then proceeded to build the church, naming it after the man who had asked for it. The church was dedicated on August 14, 1967, and the dedication ceremony was attended by thousands of people from all over the country. The new church, named after the man who had asked for it, has become an important part of the community and a symbol of the spirit of the people who live there.

Evelyn Sheerin of Undercom Road has a claim to distinction. She is the widow of the first soldier killed at the battle of Bunker Hill, in 1775 years.

Sheerin had a member of the Wilmington Company of Minute Men, a number of whom attended the battle last Saturday, and ended up in the Bunker Hill.

But Warren Sheerin volunteered, at the last moment, to be a British Grenadier. There weren't enough British Grenadiers for the battle, and besides, the head of a barrel. Warren was one of the British army.

Today, exercise is a must for everyone in order to keep fit. Anytime of the day is fine for exercise. But it’s not a good idea to retire immediately after strenuous exercise. Give the body at least an hour to unwind first. Don’t exercise right after a meal. Wait at least two hours. (On the other hand, exercising just before a light meal is a good way to combine exercise with diet.)

You might ‘go stale’ for a period when you begin to wonder why you ever started a training program. It usually happens to everyone. Just sweat it out. Your enthusiasm will return. Don’t quit!

Human Rights Committee

On June 16th, a meeting was held at the North School on Chestnut Street with 23 persons attending.

The Community Relations Chair man reported on the mailings and requested additional names of interested people who could be active in education.

The Education Committee chairman suggested that a newsletter should be put out once a month. Also a report was given on the meeting held in Mr. Oba's and his receptive attitude and good suggestions.

The committee will meet with the school committee on July 11. The education committee is urged to be done at high school level on the department. It is suggested that the department needs be connected with the curriculum development.

A discussion on curriculum caused with concrete suggestions being made on mid-division books and materials being used in school and obtained by the Public Library. Teacher recruitment was discussed and will be investigated by the Education Committee. Lewis Grunewald, Betty Jaggerwell, and Pat Bodensteln were asked to be on the Committee to visit colleges.

Mr. Reed volunteered to be on the Family Life Committee at the request of Paul Bodensteln for volunteers.

The Education Committee chairman, Mr. Reed, will be elected to the school committee on July 11. He requested that a newsletter be sent out.

The next meeting will be on July 16 at 8:00 p.m. at the Dwyer School on Lovering Street.

Mr. Reed also volunteered to be on the Committee to visit colleges.

Rovah Brook Culvert Asked

The State Department of Natural
Resources has been asked, in a
letter written by George Boylen,
chairman of the Board of Select-
men, if it (the Department of
Natural Resources) can offer any
assistance in providing for a cul-
vert under Route 35, for Revah
Brook, the stream that goes sea-

Revah Brook said that if Revah Brook
could have a culvert under Route
35, so that it could again reach
the Jewish river "we would like
the opportunity to resume that
application".

Revah said it seems to us that this
is a problem that should be of
interest to all people, as well as
to this town" Boylen said.

The report of the Hatch Act Hearing
for Alderman Emma B." Boyten.

According to Revah Brook,
there are over 26 hundred responses
from parents, which were tabulated.

The responses were from a total
of 4000 persons surveyed. The Inter-
pretation of the study was di-

They feel there is a definite
need for a program in family living
and sex education in the public
schools.

Harriet Owen Alexander of 21 Versand Avenue and the daughter of Mr Kenneth Alexander became the bride of Frederick Morris Laffin, son of Mr and Mrs Aubrey Lloyd Laffin of 11 Versand Avenue at a 3 O’clock wedding at St Dorothy’s Church on April 20, 1968. Father Leahy officiated.

The bride’s father was Reginald Bernier brother-in-law of the bride from Brentwood, New Hampshire.

The reception was held at the Knights of Columbus Hall in Wilmington with Mrs Reginald Bernier in charge of the Guest Book.

The bride’s mother was dressed in blue with matching accessories.

For her going away suit, the bride chose blue with a corsage of white roses.

Upon their return, they will live in Wilmington.

Both the bride and groom went to Wilmington High School. The bride is now employed by Sanders Associates in Bedford, and the groom has a little over a year left in his service to the U.S. Coast Guard, now stationed at the Salem Air Station in Salem, Mass.
